

THE ENERGY WORLDS

LEVELS

LEVEL

1

Galactic Level Connection. Highest vibrational level of all. New evolutionary energies from the Universe. Level of saviors and bringers of new revelation and spiritual practices. Very high mental, emotional, and physical healing abilities. Entry point of new human possibilities.

LEVEL

2

Star Level Connection. Very high. Can take on the toxic energies of others without being affected at core in self. Powerful healing energy. A genuine star (why we have expressions like "star power," "being a star"). Creators of higher ethics and morality to help raise the energetic vibration of the human race. Saints and sages primarily come from here and solar level. Compassion for all living beings.

LEVEL

3

Solar Connection. High level of spiritual connection. Brightly illumined energy field. Halo and pineal gland activation. This level often indicated by spiritual fire in the energy field and around the head. Avatar (this level and above). Authentic royalty. Higher healing abilities. Solar charisma. High ability to encourage and give energy to others. A light in the world. Level of Solar Angels (Gabriel, Oripheal, Michael).

LEVEL

4

Planetary connection. Connecting to nature. Inspiration. Planetary healing powers. Feeling of connection to forces bigger than Self. Bigger purpose (Geo) rather than "all about me" (Ego). Genuine altruism and samarital acts (not expecting any personal reward). Care for the planetary ecology and all that lives therein. Value for our planetary temple (body). High level of care and consideration for self and others. Kindness. Consideration. Empathy. Courtesy. Respect. Dignity. Spiritual practices (bridging into Level Three). increased telepathy and clairvoyance at this level and above. Higher planetary unseen worlds—Fairies, Gnomes, Sylphs, Undines, Salamanders. Nature Spirits. Devi. Planetary Angels (Elementals).

LEVEL

5

The intention to improve. Intellectualism. Thinking for oneself. Being self-determined. Wanting to make a constructive difference. Education. Learning. Self-Improvement. Motivational speaking. Willingness. Research. Constructive thoughts, feelings, and behaviors. Fairness. Assessment rather than Judgement. Interested in getting to the truth of something rather than being right. Ethical laws, principles, and moral considerations.

LEVEL

6

Most Politics. Bureaucracy. Trade. The Profit Motive. Lying and Cheating for Self Gain. Meanness. Pettiness. Caustic criticism. Prejudice. Bigotry. Destructive Arguments. Laziness. Apathy. Deceitful advertising. Propaganda. Feelings of Inadequacy. Ennui. Listlessness. Atrophy. Lethargy. Mindless Obedience. Conformity without thought. Despair. Inferiority Complex. Superiority Complex.

LEVEL

7
